

Dental Hygienist Position

Neighborhood Health Centers of the Lehigh Valley (NHCLV) is a fast growing Federally Qualified Health Center that is currently looking for a Full-Time Dental Hygienist. We are seeking a kind hearted hygienist interested in engaging the community. Because of our patient demographics, hygienist must be proficient in both Spanish and English. Public health and community experience preferred. Must have a minimum of one year experience.

Candidate needs to be flexible to work in all three of our locations including Allentown, Bethlehem and Easton.

Full-Time employees of NHCLV are offered a competitive compensation and benefit package.

POSITION REQUIREMENTS

- Successful completion of an accredited dental hygienist program.
- Certification as Public Health Dental Hygienist Practitioner
- Current CPR and radiation safety certification.
- Certification to administer local anesthesia is required
- Bilingual (Spanish) required

Job Type: Full-time

E-mail cover letter and resume to: info@nhclv.com
